

Sunday 19th June 2022

MAIN AUDITORIUM Main Hall	DRAWING ROOM
Set Up	DOCTORS IN TRAINING
	17:00: Trainee reception
	19:00: CLOSE

Monday 20th June 2022

08.30 Registration & Coffee	
MAIN AUDITORIUM Main Hall	PARALLEL AUDITORIUM Old Banqueting Room
Welcome 09:50 Welcome address – Dr Claire Dewsnap, BASHH president, Sheffield	
Harrison Lecture (Chair: Dr Chris Ward) 10:00 Elimination of HIV transmission in England in a post-COVID world: Where are we now? – Professor Kevin Fenton, Regional Director, London	
ABSTRACT SESSION 1 – Prevention, health promotion and outreach care (Co-chairs: Dr Jan Clarke and Dr Jo Bassett) 10.30 O1 (50) Relationships and risk: A mixed-methods study of perceptions and management of STI/HIV risk among heterosexual-identifying men who have sex with both men and women Dr Tyrone Curtis 10.40 O2 (178) Screening for latent tuberculosis in a large urban HIV positive population - pilot reveals 11.6% positivity rate Dr Deborah Kirkham 10.50 O3 (133) Experiences of a trans-inclusive sexual health and well-being service Dr Sara Al-Hashimi 11.00 O4 (68) Perceptions and attitudes of health professionals towards the use of Artificial Intelligence chatbots for sexual and reproductive health advice: a mixed-methods study Dr Tom Nadarzynski 11.10 O5 (58) Barriers and facilitators to accessing and using online sexual healthcare services among populations who have never used or struggled to use online sexual healthcare services, within the SEQUENCE Digital Research Programme Miss Julie McLeod	ABSTRACT SESSION 2 – Sexually transmitted infections (Chair: Dr Daisy Ogbonmwan) 10.30 O7 (30) How often do patients who test negative on online based STI screening still need to be seen in clinic? Dr Oluseyi Ayinde 10.40 O8 (108) A review of the first 6 months of a digital partner notification system Dr Abigail Foster 10.50 O9 (24) Hepatitis B (HBV) and Hepatitis C (HCV) virus testing outcomes amongst service users (SUs) of a regional online sexually transmitted infection (STI) testing service (e-service). Miss Katie Callaghan 11.00 O10 (34) Feasibility of auditing new evidence-based partner notification outcome measures stratified by sexual partnership-type Dr Beth McMahon 11.10 O11 (45) Time to healthcare-seeking following the onset of symptoms among men and women attending a sexual health clinic in Melbourne, Australia Professor Eric Chow 11.20 O12 (145) The use of digital partner notification in sexually transmitted infections (STIs) including HIV: a scoping review Ms Sonja Bloch

<p>11.20 O6 (169) That's a lot of Primary Syphilis! How local identification of an increase in primary syphilis cases amongst heterosexual males resulted in a targeted system wide response including outreach to vulnerable street sex workers by the Wildflowers project; a primary care GP/CGL (Change Grow Live charity) partnership. Dr Graham Mckinnon</p>	
<p>11.30 BREAK - POSTERS & Exhibition</p>	<p>Nursing/SHA coffee group</p>
<p>Trans session (Chair: Dr Mike Rayment) 12:00 Setting up a gender dysphoria clinic – Dr Tara Suchak, Consultant in HIV/Sexual Health, London</p>	
<p>12:30 Sponsored symposium by Preventx Missing a “Tric” – the case for widespread use of Trichomonas vaginalis NAATs. Is the current approach contributing to inequalities? Dr Vanessa Apea (Preventx), Dr John White (Preventx), Dr Lesley Navaratne (Maidstone and Tunbridge Wells NHS Trust) and Dr Hamish Mohammed (UKSHA)</p>	
<p>13.30 LUNCH</p>	
<p>Chems and DFSA session (Chair: Dr Chris Ward) 14:30 Male sexual assault – Dr Michelle Carroll, Senior Forensic Physician, Manchester 14:50 European Chemsex update – Ben Collins and Nia Dunbar, ReShape with Sjef Pelsser, Mainline 15:10 A tribute to David Stuart – Katie Evans, Psychotherapist, Liverpool 15:20 Q&A/Panel discussion</p>	
<p>Late breaker session – Monkeypox (Chair: Dr Rona Macdonald and Dr David Phillips) 15:30 Monkeypox background and case series – Ruth Byrne, Consultant GUM, London 15:45 BASHH ops response – Professor Matt Phillips, Consultant GUM, Cumbria 16:00 Community response – Alex Sparrowhawk, THT 16:15 Q&A/panel discussion</p>	<p>National Audit group update (Chair: tbc) 15:30 NAG progress and future vision – Dr Vanessa Apea, London 15:45 National PEP audit results</p>
<p>ABSTRACT SESSION 3 – Covid-19 lessons learnt (Chair: Dr Kaveh Manavi and Dr Anne Oliver) 16.30 O13 (97) Sexual behaviour, STI and HIV testing and testing need among men who have sex with men (MSM) pre- and post-COVID-19 restrictions in the UK Mr Jack Brown 16.40 O14 (149) Pilot of an independent domestic and sexual violence advocate (IDSV) integrated within a Central London sexual health (SH) and HIV service during COVID-19: 15 months of data Dr Amy Bennett</p>	<p>Nursing/HA abstract session (Chair: Ms Ceri Evans and Mrs Belinda Loftus) 16:30 N06 (183) Retrospective study to explore reasons given for discontinuation and early removal of contraceptive implants. Miss Angela McDonald 16:40 N03 (66) Delivering a monthly face to face sexual health session for 3 months in an outreach setting for 16-21 year olds (up to 25 year old SEND) within a Young person's homeless hostel and mother and baby unit with the aim to facilitate supportive access into clinical services. Ms Julia Precious</p>

<p>16.50 O15 (115) What is the acceptability of online HIV pre-exposure prophylaxis (PrEP) care, drawing on lessons learned from remote PrEP provision during the Covid-19 pandemic? Findings from a qualitative study with gay, bisexual and other men who have sex with men (GBMSM). Mr Ross Kincaid</p> <p>17.00 O16 (151) Ethnic variations in sexual risk behaviour, sexual health service use and unmet need during the first year of the COVID-19 pandemic: an analysis of population-based survey and surveillance data Ms Natasha Ratna</p> <p>17.10 O17 (118) Sexual Health Safeguarding Advice Line Mr Darren Tippetts</p> <p>17.20 O18 (112) COVID-19 vaccination uptake and coverage reported by men who have sex with men (MSM) in the UK in a large, community survey ('RiiSH-COVID') Ms Dana Ogaz</p>	<p>16:50 N04 (99) Sex, drugs & out of control: Responding to disclosures of chemsex within sexual health services Mr Billy Clarke</p> <p>17:00 N02 (37) HIV partner notification in newly diagnosed patients in the clinic against British Association of Sexual Health and HIV (BASHH) Partner Notification (PN) standards. Miss Sarah Smith</p> <p>17:10 N5 (143) Intrauterine contraception (IUC) discontinuation Miss Jodie Crossman</p> <p>17:20 N01 (21) Development of the Health care Assistant (HCA) role to supply Pre exposure Prophylaxis (PrEP) in a Central London sexual health service Mr Michelle Jenkins</p>
<p>Psychology session (Chair: Jake Bailey) 17:30 PrEP and HIV anxiety – Dr Chris McCormack, Clinical psychologist, London</p>	
<p>17.50 CLOSE</p>	
<p>18.00 Welcome Reception Greg Fell, Public Health Director for Sheffield David Black, Medical Director, Sheffield Teaching Hospitals NHS Foundation Trust Master Cutler, Cutler's Hall, Sheffield</p>	
<p>20.00 SPEAKER'S DINNER Invitation Only</p>	
<p>Tuesday 21st June 2022</p>	
<p>07.30 REGISTRATION</p>	
<p>MAIN AUDITORIUM Main Hall</p>	<p>PARALLEL AUDITORIUM Old Banqueting Room</p>
<p>ABSTRACT SESSION 4 – Sexually transmitted infections (Chair: Elizabeth Carlin and Dr Jo Gibbs) 08.00 O19 (111) Reversing trends in Neisseria gonorrhoeae susceptibility to ceftriaxone and cefixime in England and Wales: 2018 to 2020 results from the Gonococcal Resistance to Antimicrobials Surveillance Programme (GRASP) Ms Suzy Sun</p>	<p>Undergraduate abstract session (Chair: Dr Liz Foley and Dr Luke Cannon) 08.00 UG06 (160) Implementation of targeted testing and resistance-guided therapy for Mycoplasma genitalium in a large urban STI service Miss Eilidh Mitchell 08.10 UG03 (65) Assessing rates of loss to follow up in daily Pre-Exposure Prophylaxis (PrEP) users in an inner-city Genito-Urinary Medicine (GUM) clinic.</p>

<p>08.10 O20 (22) Review of Mycoplasma genitalium positive cases in a UK sexual health clinic Dr Wai Lin Htun</p> <p>08.20 O21 (129) Navigating a procaine penicillin shortage: clinical outcomes in ceftriaxone-treated neurosyphilis Mr Hasan Mohammed</p> <p>08.30 O22 (63) Molecular characterisation of six ceftriaxone resistant Neisseria gonorrhoeae identified in UK residents between December 2021 and February 2022. Dr Michaela Day</p> <p>08.40 O23 (6) Clinical and laboratory aspects of condylomata lata lesions of syphilis. Dr Janet Towns</p> <p>08.50 O24 (93) Sexually transmitted shigellosis: an international outbreak of extensively-drug resistant Shigella sonnei, United Kingdom, 2021-22 Ms Hannah Charles</p>	<p>Miss Isabel Gilks & Ms Laura Adams</p> <p>08.20 UG01 (26) Antimicrobial resistance patterns of sexually transmitted Shigella sonnei and Shigella flexneri in men who have sex with men (MSM): A systematic review Miss Holly O’Flanagan</p> <p>08.30 UG05 (110) “Gave what blood I could until I threw up and passed out – sorry” A service evaluation of Dried Blood Spot Testing as an alternative to Mini Tube Testing for home-based blood-borne infection testing in a sexual health setting. Miss Liberty-Isabelle Todd</p> <p>08.40 UG02 (49) Provoked vulvodynia treatment outcomes and predictors of treatment success: a case note review. Ms Francesca Lockyer</p> <p>08.50 UG04 (67) A Re-Audit to determine the rates of triple site testing for chlamydia and gonorrhoea in men who have sex with men attending sexual health services Mr William Wharton</p>
<p>BASHH HIV Symposium (sponsored by an educational grant from Viiv) (Co-chairs: Laura Waters and Dr Stuart Flanagan)</p> <p>09:00 Action 1/2 HIV prevention / PrEP/ HIV testing scale-up – TBC Action 3-6 missed opportunities/ effective PN / prompt referral – TBC Action 7-8 – increase retention /tackling stigma – Abigail Chakanyuka (Positive Faith) Action 8 – optimising quality of life – Group Discussion</p>	
<p>Research session (Co-chairs: Professor Caroline Sabin and Dr John Saunders)</p> <p>10:00 Introduction: Knowledge mobilisation - conducting useful research and facilitating translation of new knowledge - Professor Caroline Sabin & Dr John Saunders</p> <p>10:10 Exploring the use of behaviour change theory in surveys to inform intervention design to improve STI testing among MSM - David Reid</p> <p>10:20 The NEXUS study protocol – understanding the re-emergence of syphilis in heterosexuals in England - Dr Hamish Mohammed</p> <p>10:30 Working with stakeholders and engaging communities to inform research on sexual health services for trans and gender diverse people - Dr Tom Witney</p> <p>10:40 Questions, Discussion and Close - Professor Caroline Sabin & Dr John Saunders</p>	<p>Nurse/HA Symposium – (Co-chairs: Dr Ceri Evans and Ms Jodie Crossman)</p> <p>10:00 How to write an abstract – Tracey Lowry, senior research nurse, Spectrum</p> <p>10:15 'Trauma informed care' approach to sexual health consultations – Dr Natalie Edelman, University of Brighton</p> <p>10:30 Cathy Harman award – Klick – a nurse-led technology-enabled outpatient service for people living with HIV (PLWHIV) – Caroline Rae</p> <p>10:45 Q&A/Discussion</p>
<p>11:00 BREAK-POSTERS & Exhibition</p>	<p>Nursing/SHA coffee group</p>

ABSTRACT SESSION 5 - HIV testing, new diagnoses and management, PEPSE and PrEP

(Chair: Dr Adele Wolujewicz and Dr Clare Wood)

11.30 O25 (69) The ePrEP Clinic: developing a clinical consultation for online PrEP provision
Dr Lindsay Henderson

11.40 O26 (28) HIV pre-exposure prophylaxis use amongst transgender patients attending a sexual health service

Dr Sophie Ross

11.50 O27 (138) Sexually transmitted infection (STI) rates among pre-exposure HIV prophylaxis (PrEP) using and non-PrEP using men who have sex with men (MSM) accessing a regional online STI testing service.

Dr John White

12.00 O28 (127) "Is less good?": experiences on dual-drug antiretroviral treatment (ART) regimens among people living with HIV (PLWH) (the PEDAL Study)

Dr Diego Garcia Rodriguez

12.10 O29 (70) Getting PrEP'ed for pride: Providing PrEP at a local pride event during COVID-19

Dr Cordelia Chapman

12.20 O30 (16) Pilot evaluation of PrEP EmERGE – a novel digital health innovation designed to support sexual health clinics and HIV-PrEP users

Mr Colin Fitzpatrick

ABSTRACT SESSION 6 -Contraception and reproductive health (Chair: Dr Liz Okecha and Dr Matt Phillips)

11.30 (140) O31 Inequalities in reproductive health outcomes during COVID-19 in Britain: national survey (Natsal COVID)

Dr Andrew Baxter

11.40 O32 (132) Impact of social media promotion on uptake of a pilot online contraception service in Northern Ireland

Mr Justin Harbottle

11.50 O33 (7) Contraceptive usage in homeless women accessing a dedicated primary care service in Scotland, UK: a case note

Dr Eliza Montague-Johnstone

12.00 O34 (59) The emergency contraception service in community pharmacy: a mystery shopper evaluation.

Miss Kayley Ford

12:10 O35 (54) Abortion inequalities among women in England aged 16-24

Dr Danielle Solomon

12:30 Pharma Symposium sponsored by Gilead

Towards zero HIV transmission by 2030: the role of PrEP (pre-exposure prophylaxis)

Dr Iain Reeves, Homerton Hospital

13.30 LUNCH

International Keynote session (Co-chairs: Professor Simon Barton and Professor Nicola Steedman)

14:30 Emerging and re-emerging sexually-transmitted infections in the genomics era - Professor Deborah Williamson, Director Victorian Infectious Diseases Reference Laboratory (VIDRL), Melbourne

Patient / Lay panel session (Co-chairs: Dr Patrick French and Dr Jennifer Dhingra)

15.00 Sex and Disabilities – Lorraine Stanley (Sex with a Difference)

15.10 Teaching about Sexual Pleasure – Lewis Ruddock (Sexpression)

15.20 The HVA Helpline – Marian Nicolson and HVA Helpliner (Herpes Viruses Association)

15.30 LGBTQ+ BPOC Health Equity and Advocacy Toolkit – Patrick Ettenes and Elliss Lewin-Turner (Black Beetle Health)

STI Foundation Trainers and Course Directors

Meeting (Co-chairs: Dr Luciana Rubinstein and Matthew Grundy-Bowers)

15.40 Panel Discussion	
16.00 REFRESHMENTS, EXHIBITION, POSTERS	
SAS coffee group	
Racially Minoritised Communities session (Co-chairs: Dwayne Hunt and Dr Frances Lander)	
16:30 Chair speech – Dwayne Hunt, London	
16:35 Working with the Third sector to provide intersectional and culturally relevant sexual health services - Glenda Bonde, THT	
16:45 Inner city co-production tackling health in equalities for racially minoritised key groups – Miss Aisha Namurach, Common Ambitions Project, Bristol	
16:55 Recruiting people from racially minoritised groups into sexual health research – Dr Tom Nadzynski, University of Westminster	
17:03 Exploring Perspectives on Racial and Sexual Minority Experiences in Accessing Integrated Sexual Health and Wellbeing Services in Modern Britain Using Constructivist Grounded Theory – Mr Harvey Kennedy-Pitt, Black Beetle Health	
17:18 Q&A/panel discussion	
17:30 CLOSE	
19.00 DRINKS RECEPTION	
19.30 GALA DINNER <i>sponsored by Preventx</i>	
Wednesday 22nd June 2022	
07.30 REGISTRATION	
MAIN AUDITORIUM Main Hall	PARALLEL AUDITORIUM Old Banqueting Room
STASHH session (Co-chairs: Emma Cartner and Dr Hannah Church)	
08:00 What is STASHH? – Dr Ellie Crook, Miss Ellie Cochrane	
08:10 STASHH pillars: Education, Mentoring, Recruitment, and Projects and Opportunities – Miss Beth Selwyn, Dr Luke Cannon, Dr Claire Pritchard, Miss Ellie Cochrane	
08:40 Plans for the future and how GUM doctors can support STASHH – Miss Hanna Nguyen	
08:45 Q&A/Panel discussion	
Curriculum session (Co-chairs: Dr John Evans-Jones and Dr Ashini Fox)	
09:00 BASHH Undergraduate curriculum 2022 – Dr Ellie Crook, STASHH, Bristol	
09:15 Postgrad session – Professor Margaret Kingston, Consultant Physician, Manchester	
09:30 Q&A/Panel discussion	
09:40 Undergraduate essay prize ceremony – Dr Sophie Forsyth	
Top papers session (Chair: Dr Sophie Forsyth)	Sex and disabilities (Chair: Dr Sophie Brady)
09:45 Top 5 HIV papers - Laura Waters, Chair British HIV Association, London	09:45 Lorraine Stanley, CEO SWAD, Dorset
10:00 Top 5 GUM papers – Dr Deborah Kirkham, Consultant in Genitourinary and HIV Medicine, London	
10.15 REFRESHMENTS, EXHIBITION, POSTERS	
DIT coffee morning	
10:45 Pharma Symposium <i>sponsored by ViiV</i>	
A Case Discussion: Options for People Living with HIV Beyond Viral Suppression	
Welcome and Introduction - Dr Andy Ustianowski	
What are the needs of PLHIV beyond viral suppression? - Dr Claire Dewsnap	
Case Discussion – Where is Vocabria + Rekambys an option beyond viral suppression? - Dr Andy Ustianowski	

Case Discussion – Where is Dovato an option beyond viral suppression? - Dr Claire Dewsnap
Q&A - All
Summary and Close - Dr Andy Ustianowski

What can we learn from implementation of digital sexual health in the UK to optimise access to care, user experience, and service delivery for the future?

(Chair: Dr Claire Dewsnap)

- **Overview from two key sexual health research programmes:** [ASSIST](#) which is assessing the impact of introducing online postal self-sampling for STIs into sexual health provision within the UK on health inequalities, access to care and clinical outcomes and [SEQUENCE Digital](#), which aims to improve sexual health for people in a digital NHS.
- **Going beyond the test: how have different services approached *treatment and partner notification and management* for people diagnosed through online postal self-sampling?** Short presentations from around the UK
 - Dr Sara Day
 - Dr John White
 - Dr Darren Cousins
 - Dr Rona Mac Donald
- **Panel discussion**

13.15 LUNCH

Keith Radcliffe session – Guidelines update: (Chair: Professor Margaret Kingston and Dr Tristan Barber)
14:15 Sexual health clinical standards for people working in the sex industry – Michelle Pearson
14:30 Syphilis – Professor Margaret Kingston
14:45 NGU
15:00 TV – Jackie Sherrard

STI Journal session - STI prophylaxis: When to, when not to? (Chair: Professor Anna Maria Geretti and Professor Claudia Estcourt)
14:15 Introduction – Professor Anna Maria Geretti
14:20 - What is the supporting evidence?
- Acceptability & predictions
Dr Suneeta Soni
14:35 - What is the current use?
- Unanswered questions & ongoing studies
Dr John Saunders, Deputy Head of Programme Delivery and Service Improvement, London
14:55 Panel discussion: the BASHH statement, views from the audience, research needs

Robbie Morton lecture – BASHH centenary (Co-chairs: Dr John McSorley and Olwen Williams)
15:15 A ‘distasteful’ specialism and a ‘loathsome’ disease: Sexual health in Britain since 1864 – Dr Anne Hanley
15:45 100 years of specialty – Professor Michael Waugh, Hon. Sec MSSVD 1981-1989, President 1989-1991

16.00 **President’s address** – Dr Claire Dewsnap, BASHH president

16.15 **Conference close**
